Moving up a section?

Most badges stay for the whole Scouting journey.

✔ Keep

- Name tapes, District & Section badges
- Peak Awards & Adventure Skills (highest stage)
- Flag, World Scout & Years of Service
- Camper & Walkabout (highest number), Scouts4SDGs
- One event badge

✕ Take off

- Special Interest Areas
- Milestones
- Unit Leader (when no longer in the role)
- Their Service Our Heritage, Landcare, SES
- First Aid once the qualification lapses

Pin, then sew
Lay badges out and pin first. Iron-on helps, but still sew them on.

No badge below the elbow
Long sleeves use the same positions – just keep above the elbow.

Spare badges?
Camp, event and swap badges go on a badge blanket – no rules there!

Not sure? Bring the shirt on a meeting night and ask your section leader.
